TOP STORIES

- **NEW RABBINICAL CANDIDATE** On Feb 22nd & 23rd, Rabbi Jeffrey Lipschultz joined us from Chicago, IL for our first rabbinical candidate review. He led Friday night and Shabbat morning services, and was on hand to answer questions after services.
- Wouldn't you know it was with frigid temperatures and snowfall that the Okanagan welcomed this newcomer, but having lived in Chicago, it was no deterrent.
- Our Rabbinical Search Committee will continue our search. Todah Rabbah to all for attending services and who participated in our survey!

The Okanagan Jewish Community is growing!

- Welcome back to Canada, Peter & Linda Dux. Empty nesters who just moved back from Arizona, Peter is a Family Practitioner setting up shop in Lake Country, while Linda is a retired school nurse.
- Welcome Don & Harumi who found us at the recent Sacred Spaces event!
- It was great to have you all join us for our Friday Erev Shabbat service. This year we have over a dozen new member families so far, with other community members joining us for events. As well, we have a plethora of OJC sponsored events coming up this year! Watch your emails and check our website for more information. Everyone is welcome and encouraged to participate.

- **Israeli Dancing Thursdays @ OJCC—6:30—8:30 pm.** Everyone is welcome, come join the fun! Contact Miracle of Peace @ (250) 547-8829 or Israeli.Dancing@outlook.com.
- There are kosher items available at the **"Erev Shabbat" Kosher Stand.** Fridays from 9am-12pm. #Be A Part Of It!! Cash, Cheque or Credit accepted. Visit Chabad Okanagan on the corner of Richter & Wardlaw, contact jewishokanagan.com or (250) 575-5384 for more information.

We had such a great turnout from the OJC this winter participating in the Central Okanagan Food Bank "Drive a Client home with their holiday hampers" on December 21st, that we've decided to make it an annual event.

We have also set up a box in the OJCC foyer to collect hats, gloves, mittens & scarves to be delivered this coming winter, as we noticed that some parents & their children did not have any warm accessories to ward off winter's chill. Thank you for your donations!

Taste of Home

- **February 2, 2019**— The “Taste of Home” annual event was sponsored by the Kelowna Community Resources. The auditorium was packed with bumper to bumper people meandering through the aisle to sample the different cuisines from over a dozen ethnic food booths lining the walls. The 340 cheese knishes that OJC made (Thank you very much Barb, Steven, Samantha, Steve, Diane, Shelly) were gone by 7:00 pm! Meanwhile, the stage lit up to host a variety of cultural dancing and music. Needless to say it was a big hit. The OJCC will be participating again. Thank you to all who volunteered and participated, including our Israeli Dancers, who were awesome!

- **FEBRUARY 9, 2019 - 10:00am until NOON**— OJC participated in our first “Intercultural Program” as we were hosted by the Muslim Community at a “meet and greet” at their Rutland Mosque. Approximately two dozen persons from each community were in attendance for the event. President Mustafa gave us an introduction to their Community along with some discussion about their faith and culture. Evan Orloff of our Community reciprocated in telling of OJC’s history and development. We were then given a tour of the Mosque along with detailed explanations, and were grateful that our many questions about Islam were answered. The event finished with a delicious assortment of appetizers and pastries, accompanied by coffee and Moroccan tea. We plan to reciprocate the hospitality by hosting their Community at OJC sometime in the Spring.

UNITY IN OUR COMMUNITY

- Special thanks to Philippe Richer LaFleche and to Rehan Sadiq for coordinating this social “meet and greet” event with the local Muslim Community at the Kelowna Islamic Centre in Rutland.

- **On Saturday, March 23**, the OJC was one of eight of the Sacred spaces that was open to the public to visit. The event was organized by Kelowna Community Resources as an offshoot of their Anti-Racism programming, and involved various churches, OJC, the Islamic Centre and the Seikh temple. We were delighted to host 60-70 visitors (we lost track of the count) at OJC, and were well received by the public with lots of positive and grateful comments. Special thanks to those who volunteered: Cheryl and Pavel Kalashnikoff, Barb Pullan, Evan Orloff, Steve Kushmier, Uri Hess, and Barb and Steven Finkleman. Thanks to the OJC volunteers involved for helping us build goodwill with the greater Kelowna community.

Everyone is Welcome!

“HOW GOOGLE STARTED, ACCORDING TO THE BIBLE ... JEWISH HUMOUR

- 1. In ancient Palestine, it came to pass that a trader by the name of Abraham Com did take unto himself a healthy young wife by the name of Dorothy. And Dot Com was a comely woman, large of breast, broad of shoulder and long of leg. Indeed, she was often called Amazon Dot Com.*
- 2. And she said unto Abraham, her husband, "Why dost thou travel so far from town to town with thy goods when thou canst trade without ever leaving thy tent?"*
- 3. And Abraham did look at her as though she were several saddle bags short of a camel load, but simply said, "How, dear?"*
- 4. And Dot replied, "I will place drums in all the towns and drums in between to send messages saying what you have for sale, and they will reply telling you who hath the best price. The sale can be made on the drums and delivery made by Uriah's Pony Stable (UPS)."*
- 5. Abraham thought long and decided he would let Dot have her way with the drums. And the drums rang out and were an immediate success. Abraham sold all the goods he had at the top price, without ever having to move from his tent.*
- 6. To prevent neighboring countries from overhearing what the drums were saying, Dot devised a system that only she and the drummers knew. It was known as Must Send Drum Over Sound (MSDOS), and she also developed a language to transmit ideas and pictures - Hebrew to the People (HTTP).*
- 7. And the young men did take to Dot Com's trading as doth the greedy horsefly take to camel dung. They were called Nomadic Ecclesiastical Rich Dominican Sybarites, or NERDS. And lo, the land was so feverish with joy at the new riches and the deafening sound of drums that no one noticed that the real riches were going to that enterprising drum dealer, Brother William of Gates, who bought off every drum maker in the land. Indeed he did insist on drums to be made that would work only with Brother Gates' drum heads and drumsticks.*
- 8. And Dot did say, "Oh, Abraham, what we have started is being taken over by others." And Abraham looked out over the Bay of Ezekiel, or eBay as it came to be known. He said, "We need a name that reflects what we are."*
- 9. And Dot replied, "Young Ambitious Hebrew Owner Operators." "YAHOO," said Abraham. And because it was Dot's idea, they named it YAHOO Dot Com.*
- 10. Abraham's cousin, Joshua, being the young Gregarious Energetic Educated Kid (GEEK) that he was, soon started using Dot's drums to locate things around the countryside.*
- 11. It soon became known as God's Own Official Guide to Locating Everything (GOOGLE).*
- 12. That is how it all began. And that's the truth. I would not make up this stuff!"*

PRESIDENT'T MESSAGE

It looks as though Spring has finally sprung in the Okanagan bringing the much waited-for disappearance of snow. OJC is not disappearing and we are looking forward to bloom with new activities and events to serve everyone's needs. The OJC Passover Seder preparations have been finalized and the advertisement is out. We are excited that our Seder will be led by Grant and Annik Waldman, perhaps with a new twist and some different traditions that many of us have not been exposed to. Bring your singing voices. Do plan to give Grant and Annik your full attention during the Seder, as we may be expecting a crowd larger than in previous years.

Programming along social, cultural, intercultural and educational events are being planned, leading up to our major fundraising event of the Golf Tournament in the summer. Do participate in these events.

We are looking forward to having more volunteers helping out with our programming. Please consider contributing your time and effort by volunteering for your community. New ideas for programming are always welcomed - get an idea, do some homework and help in its realization.

This is not the big city where events occur automatically and one can attend or not. Events in our small community depend on persons' volunteering to help out. To elaborate on JFK's quote, 'Ask not what your "community" can do for you, but rather what YOU can do for your "community"!' I will be maintaining a list of community volunteers that I can draw on for helping out. Please consider submitting your name, phone number and email address to me at steven-finkleman@hotmail.com if you can help in building your community.

Thanks to all, and have a great Spring,

Steven Finkleman
President
